

# 32<sup>nd</sup> MUSICA VIVA IN SCHOLA

Oct 21–22, 2025

Department of Music, Faculty of Education, Masaryk University

---

## *Transformations and Challenges of Music Education*

**Recommended thematic areas:**

*A) Music Education in the Context of Curricular Changes*

*B) Music Education and Mental Health*

*C) Music Education and the Development of Critical Thinking*

*D) Modern Technologies in Music Education*

Conference participants are allowed to submit only one paper, with a presentation lasting up to 20 minutes. The conference papers will be published electronically in peer-reviewed proceedings. Theoretical contributions with a research and methodological-didactic focus, or reflections on music education practice, are preferred. The languages of the conference are Czech, Slovak and English.

Active conference participants will be asked to submit their papers via an electronic form, along with detailed instructions on how to prepare them. They can do so until the start of the conference.

**On-line registration form** can be found under the link in the e-mail you received or on the website of the Department of Music, Faculty of Education, MU. The form is a **precondition for accepting** papers and can be submitted no later than **September 7, 2025**.

**The conference fee** for active participants is **200 CZK / 8 €**. Payment will be requested in cash during the conference attendance.
